UNQUOTE

12. Record Date and Shareholder's Entitlement

- As required under the Buyback Regulations, the Board of Directors of the Company have fixed Friday November 12, 2021 as the record date (the "Record Date") for determining the entitlement and names of the shareholders holding Equity Shares of the Company who will be eligible to participate in the Buyback. In due course, each shareholder, holding Equity Shares as on the Record Date, will receive a letter of offer (the "Letter of Offer") along with a tender / offer form indicating the entitlement of the shareholder for participating in the Buyback.
- The Equity Shares to be bought back as a part of the buyback is divided in two categories:
 - Reserved category for Small Shareholders; and
 - General category for all other shareholders.
- In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of equity shares which the Company proposes to Buyback or number of equity shares entitled as per the shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- On the basis of the shareholding on the Record Date, the Company will determine the entitlement of each shareholder, including Small Shareholders, to tender their Equity Shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs.
- The equity shares tendered as per the entitlement by Members holding equity shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. The settlement of the tenders under the Buyback is expected to be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to tender offer under Buyback" notified by SEBI vide circular CIR/CFD/POLICYCELL/7/2015 dated April 13, 2015 as amended by circular no. CFD/DCR/ CIR/P/2016/131 dated December 9, 2016 and SEBI circular CFD/DCR-III/CIR/P/2021/615 dated August 13, 2021, including any amendments thereof, NSE circular no. 63/2020 dated August 06, 2020 and BSE Notice No. 20201102-43 dated November 2, 2020.
- The final number of Equity Shares that the Company will purchase from the Shareholders will be based on the Equity Shares tendered. Accordingly, in the event of the overall response to the tender offer being in excess of Buyback Offer Size, the Company may not purchase all the Equity Shares tendered by the Shareholders over and above their entitlement.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Shareholders in that category, and thereafter from Shareholders who have tendered over and above their entitlement in other category.
- In accordance with the Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios does not receive a higher entitlement under the small shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (small shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- The Shareholders' participation in the Buyback will be voluntary. The Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Shareholders may also tender a part of their entitlement. The Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the short fall created due to non-participation of some other Shareholders, if any.
- The maximum tender under the Buyback by any Shareholder cannot exceed the number of Equity Shares held by the Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.
- If the Buyback entitlement for any Eligible Shareholder is not a round number (i.e. not a multiple of 1 Equity Share), then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback. The Small Shareholders whose entitlement would be less than 1 Equity Share may tender additional Equity Shares as part of the Buyback and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.
- The buy-back from non-resident members, Overseas Corporate Bodies (OCBs) and Foreign Institutional Investors (FIIs), and members of foreign nationality, if any, etc. shall be subject to such approvals as are required including approvals from the Reserve Bank of India under the Foreign Exchange Management Act, 1999 and the rules, regulations framed there under, if any.
- Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer which will be sent in due course to the Shareholders as on Record Date. The Letter of Offer shall be dispatched by electronic means to Eligible Shareholders who have registered their email address with the depositories / the Company. If Eligible Shareholders wish to obtain a physical copy of the Letter of Offer, they may send a request to the Company or Registrar at the address mentioned at paragraph 18 below. The Letter of Offer shall be dispatched through physical mode to Eligible Shareholders who have not registered their email address with the depositories/ Company.

13. Process and methodology to be adopted for the buyback process:

- The Buyback is open to all eligible sellers / beneficial owners of the Company, i.e., the shareholders who on the Record Date were holding Equity Shares in either physical form ("Physical Shares") and the beneficial owners who on the Record Date were holding Equity Shares in the dematerialized form ("Demat Shares") (such shareholders are referred as the "Eligible Shareholders").
- The equity shares of the Company are listed on the BSE and the NSE. The Buyback will be implemented using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI Circular ("Stock Exchange Mechanism") and following the procedure prescribed in the Companies Act and the Buy-back Regulations and as may be determined by the Board and on such terms and conditions as may be permitted by law from time to time.

 - Based on these documents, the concerned Seller Member shall place the bid on behalf of Eligible Shareholders holding Equity Shares in physical form using the Acquisition Window of BSE/NSE. Upon placing the bid, the Seller Member shall provide a TRS generated by the exchange bidding system to the Shareholder. TRS will contain the details of order submitted like Folio No., Certificate No., Distinctive No., No. of Equity Shares tendered etc.

Acceptance of the physical Equity Shares for buyback by the Company shall be subject to verification of the original share certificate (s) and documents as per the Buy-back Regulations and any further directions issued in this regard. Registrar to the Buyback will verify such bids based on the documents submitted on a daily basis and till such time the Designated Stock Exchange shall display such bids as "Unconfirmed Physical Bids". The settlement of fund obligation for Demat Shares shall be affected as per the SEBI circulars and as prescribed by BSE and Clearing Corporation from time to time. For Equity Shares accepted under the Buyback, the Clearing Corporation will make direct funds payout to the respective Shareholders. If the respective Shareholder's bank account details are not available or if the fund transfer instruction is rejected by RBI/Bank, due to any reason, then such funds will be transferred to the concerned Seller Member's settlement bank account for onward transfer to such respective Shareholders. On acceptance of physical shares by the Registrar, the funds received from Company's Broker by the Clearing Corporation will be released to the Seller Member's as per secondary market pay out mechanism.
 - In case of Eligible Shareholder where there are specific RBI and other regulatory requirements pertaining to funds pay-out, which do not opt to settle through custodians, the funds pay-out would be given to their respective Seller Members settlement bank account for onward transfer to the Eligible Shareholders. For this purpose, the client type details would be collected from the Registrar to the Buyback.
 - Details in respect of shareholder's entitlement for tender offer process will be provided to the Clearing Corporation by the Company or Registrar to the Buyback. On receipt of the same, Clearing Corporation will cancel the excess or unaccepted blocked shares in the demat account of the shareholder. On Settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporation.
 - In the case of Inter Depository, Clearing Corporation will cancel the excess or unaccepted shares in target depository. Source Depository will not be able to release the lien without a release of IDT message from Target Depository. Further, release of IDT message shall be sent by target Depository either based on cancellation request received from Clearing Corporation or automatically generated after matching with Bid accepted details as received from the Company or the Registrar to the Buyback. Post receiving the IDT message from target Depository, source Depository will cancel/release excess or unaccepted blocked shares in the demat account of the shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/message received from target Depository to the extent of accepted bid shares from shareholder's demat account and credit it to Clearing Corporation settlement account in target Depository on settlement date.
 - In case of physical Equity Shares pursuant to proportionate acceptance/rejection will be returned to the Shareholders directly by Registrar to the Buyback. The Company is authorized to split the share certificate and issue new consolidated share certificate for the unaccepted equity shares in case the equity shares accepted by the Company are less than the equity shares tendered in the Buyback by the equity shareholders holding equity shares in the physical form.
 - The Equity Shares bought back in the demat form would be transferred to the special demat account of the Company ("Demat Escrow Account") opened for the Buyback.
 - Shareholders who intend to participate in the Buyback should consult their respective Seller Member for payment to them of any cost, charges, and expenses (including brokerage) that may be levied by the Seller Member upon the selling Shareholders for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the selling Shareholders from their respective Seller Member, in respect of accepted Equity Shares, could be net of such costs, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the selling Shareholders.
 - The Seller Member would issue contract note & pay the consideration for the Equity Shares accepted under the Buyback and will unlock the excess unaccepted Equity Shares. Company Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.
 - In case of certain shareholders viz., NRIs, non-residents etc. (where there are specific regulatory requirements pertaining to funds pay-out including those prescribed by the RBI) who do not opt to settle through custodians, the funds pay-out would be given to their respective Shareholder Broker's settlement accounts for releasing the same to such shareholder's account.
